REGISTER TO VOTE

To register to vote, you must complete a Florida Voter Registration Application. Applications are available online at [RegistertoVoteFlorida.gov](https://www.registertovoteflorida.gov), and at elections offices in the Sarasota County Terrace Bldg., 101 S. Washington Blvd., Sarasota; the R.L. Anderson Bldg., 4000 Tamiami Trail S. Venice; and Biscayne Plaza, 13640 Tamiami Trail, North Port.

Applications are also available at driver license offices, state agencies that provide public assistance, public libraries, post offices and many other public locations. You may also print a registration application from our website at [SarasotaVotes.gov](https://www.sarasotavotes.gov) or from the [Division of Elections](https://www.floridastateelections.com).

You will be offered the opportunity to apply to register to vote or update your voter registration when you obtain your driver license or when you apply for public assistance at state agencies.

Applications may be submitted in person at any supervisor of elections office or by mail to PO Box 4194, Sarasota, Florida, 34230-4194.

REGISTER TO VOTE (CONT.)

A voter registration application is complete if it contains:

- Your name
- Your legal residence address
- Your date of birth
- Affirmation that you are a citizen of the United States
- Florida driver license number, ID number from a Florida identification card issued under § 322.051 F.S., or the last four digits of your Social Security number
- Affirmation that you have not been convicted of a felony or that, if convicted, you have had your civil rights restored
- Affirmation that you have not been adjudicated mentally incapacitated with respect to voting or that, if so adjudicated, you have had your right to vote restored
- Your original signature or a digital signature transmitted by the Department of Highway Safety and Motor Vehicles (you must sign the oath printed on the form swearing or affirming, under the penalty for false swearing, that the information contained in the registration application is true)

Note: An applicant who fails to designate political party affiliation will be registered without party affiliation. (See § 97.053, Florida Statutes)

WHEN CAN I REGISTER?

You can apply to register to vote at any time online, by mail or in person. However, you must be registered at least 29 days before you can vote in an election. The date your voter registration application is postmarked or hand-delivered to the supervisor of elections will be your registration date. If your application is complete and you are qualified as a voter, a voter information card will be mailed to you.

Changes to your name, address, signature and political party are accepted after the deadline for an election except that a political party change will not become effective until after the primary election. (See § 97.053 & 97.055, Florida Statutes)

HOW CAN I UPDATE MY SIGNATURE?

It is very important that a voter's registration record contain his or her updated signature. The signature on file is the one that will be used to verify the signature on vote-by-mail and provisional ballot certificates and petitions. If your signature has changed since the last time you voted, you may update it by submitting a new voter registration application. You may call or visit your supervisor of elections' office to obtain a Florida Voter Registration Application or download one from our website. (See § 98.077, Florida Statutes)

VOTER REGISTRATION IS A PUBLIC RECORD

In Florida, voter registration records are open to the public and may be examined or copied by any person. However, the following information is confidential and exempt from public records disclosure: location of voter's place of registration, location of place of registration update, Social Security number, driver license number, Florida identification number, information related to a voter

VOTER REGISTRATION IS A PUBLIC RECORD (CONT.)

registration applicant's or voter's prior felony conviction and whether such person's voting rights have been restored, and all information concerning preregistered voter registration applicants who are 16 or 17 years of age. A voter's signature may be viewed but not copied. (See § 97.0585, Florida Statutes)

REMOVAL AND REINSTATEMENT OF NAMES

If the supervisor of elections receives change-of-address information from the post office or another source indicating the voter's residence may have changed to another address in Florida, the voter's registration record will be changed to reflect the new address and the voter will be mailed an address change notice with a request to verify the new address. If the information indicates the voter has moved outside the state, an address confirmation final notice will be sent to the voter.

All voters who have been mailed an address confirmation final notice and who do not return the form within 30 days will be placed on the inactive voter registration list. A voter on the inactive list may be reclassified as active by updating his/her voter registration, appearing to vote, or requesting a vote-by-mail ballot, providing eligibility has not changed. A voter who has been placed on the inactive list and who has shown no activity by the second general election following the date of the address confirmation final notice will be removed from the registration records. A voter who has been removed from the registration records must register again to vote. (See § 98.065, Florida Statutes)

CHANGE OF ADDRESS, NAME OR PARTY

WHEN VOTERS MOVE

If you move from one address to another within Sarasota County, you must notify the supervisor of elections in writing or by phone of your new address and include your date of birth. If you move from one Florida county to another, you must notify the supervisor in your new county of residence by phone or by submitting a signed Florida Voter Registration Application or other written notice and include your date of birth and the last four digits of your Social Security number, Florida driver license number or Florida ID card number.

Generally, you cannot vote in a precinct other than the one in which you live and are registered. However, if you are residing temporarily outside your home county and have no permanent address in the county, you can apply to be registered and vote in the precinct that contains the main office of the supervisor of elections. These voters are not allowed to vote in municipal elections. (See § 97.1031, and § 101.045, Florida Statutes)

WHAT IF I CHANGE MY NAME?

HOW CAN I CHANGE MY PARTY AFFILIATION?

To change party affiliation, you must notify the supervisor of elections by completing a Florida Voter Registration Application. Party change requests received after the books close for a primary

election will be accepted, but only for the purpose of subsequent elections. (See § 97.1031, and 97.055, Florida Statutes)

MILITARY AND OVERSEAS CITIZENS

LATE REGISTRATION

An individual or accompanying family member who has been discharged or separated from the uniformed services, Merchant Marine, or from employment outside the territorial limits of the United States, after the book closing for an election, who is otherwise qualified, may register to vote in such election until 5:00 p.m. on the Friday before that election. Such persons must produce sufficient documentation showing evidence of qualifying for the late registration pursuant to this section. (See § 97.0555, Florida Statutes)

FEDERAL POSTCARD APPLICATION

Members of the U.S. Uniformed Services on active duty and the Merchant Marine, their spouses and dependents, and U.S. citizens residing outside of the United States may apply for voter registration or request a vote-by-mail (absentee) ballot with a Federal Post Card Application (FPCA). A request for a vote-by-mail ballot shall be effective for all elections through the end of the calendar year of the next regularly scheduled general election unless otherwise indicated by the requester.

For more information about federal postcard applications, please contact any elections office or your federal voting assistance officer or go to fvap.gov. If an FPCA is not available, phone or send a written request to your supervisor of elections. A voter registration application or vote-by-mail ballot will be mailed to you.

STATE WRITE-IN VOTE-BY-MAIL BALLOT

An overseas voter may request, no earlier than 180 days prior to a general election, a state write-in vote-by-mail ballot from the supervisor of elections in the county of registration. In order to receive a state write-in ballot, the voter shall state that due to military or other contingencies that preclude normal mail delivery, he/she cannot vote a vote-by-mail ballot during the normal voting period. State write-in vote-by-mail ballots shall contain all offices, federal, state and local, for which the voter would otherwise be entitled to vote.

In completing the ballot, the overseas voter may designate his or her choice by writing in the name of the candidate or political party, in which case the ballot must be counted for the candidate of that political party, if there is such a party candidate on the ballot. (See § 101.6951, Florida Statutes)

VOTE-BY-MAIL BALLOTS FOR OVERSEAS VOTERS

To each absent uniformed services voter or overseas voter who requests a vote-by-mail ballot, the supervisor of elections will send a ballot by forwardable mail, email or fax transmission no later than 45 days before the primary or general election. The absent uniformed services voter or overseas voter may designate in the request the preferred method of transmission. If the voter does not designate the method of transmission, the ballot will be mailed. (See § 101.62, Florida Statutes)

VOTE-BY-MAIL BALLOTS FOR OVERSEAS VOTERS (CONT.)

If an overseas voter's request for a vote-by-mail ballot includes an email address, the supervisor of elections will confirm via email that the request was received, inform the voter of the estimated date on which the ballot will be sent, and notify the voter via email when the voted ballot is received by the supervisor of elections. (See § 101.6952, Florida Statutes)

VOTE-BY-MAIL VOTING

All qualified electors are permitted to vote by mail under Florida law. (See § 97.021, Florida Statutes) A request to receive a vote-by-mail ballot covers all elections through the end of the calendar year of the next ensuing regularly scheduled general election (through December 31, 2024), unless the requester specifies certain elections only within such period.

HOW TO VOTE BY MAIL

A voter, or if directly instructed by the voter, a member of the voter's immediate family or the voter's legal guardian, may request a vote-by-mail ballot from the supervisor of elections in person, by mail, by telephone or online through the supervisor of elections' website.

The person requesting a vote-by-mail ballot must disclose:

- The name of the voter for whom the ballot is requested
- The voter's address
- The voter's date of birth
- The voter's Florida driver license number, Florida ID card number or last 4 of the SSN
- The requester's name
- The requester's address
- The requester's Florida driver license number, Florida ID card number or last 4 of SSN
- The requester's relationship to the voter
- The requester's signature (written request only)

The supervisor of elections may not deliver a vote-by-mail ballot to an elector or an elector's immediate family member on the day of an election unless there is an emergency that precludes the voter from going to his or her assigned polling place. (See § 101.62, Florida Statutes)

A request for a ballot to be mailed must be received by the supervisor of elections no later than 5 p.m. on the 12th day before the election. Marked ballots must be received in the supervisor of elec-

tions office no later than 7 p.m. on the day of the election. If you have obtained a vote-by-mail ballot but decide to vote in your precinct on election day, you must return the ballot, whether or not it has been marked, to the election board at your precinct or early voting site. If you are unable to return the vote-by-mail ballot, you may be required to vote a provisional ballot. (See § 101.62, 101.67 and 101.69, Florida Statutes)

HOW TO VOTE BY MAIL USING THE OPTICAL SCAN BALLOT

Read the ballot carefully before marking for any candidate or issue. Use a black or blue pen. Completely fill in the oval by the candidate or issue of your choice. To write in a name, blacken the oval and write the name on the line provided. If you make a mistake or change your mind, contact the elections office for instructions. Fold ballot and place in secrecy sleeve. Place secrecy sleeve in certificate (return mailing) envelope. Sign and date the certificate envelope and mail or return in person to the elections office.

A voter who returns a vote-by-mail ballot without signing the voter's certificate or whose signature on the voter's certificate does not match the signature on file in the voter's registration record may cure the missing/mismatched signature by completing an affidavit and returning it to the supervisor of elections along with an ID prior to 5 p.m. on the 2nd day after the election. (See § 101.68 Florida Statutes) A copy of the affidavit and instructions may be found at SarasotaVotes.gov.

A vote-by-mail ballot will not be counted if the voter's certificate or ballot affidavit is not signed or the signature does not match the one on file. The signature on file at the time the vote-by-mail ballot is received by the supervisor of elections will be used to verify a voter's signature. (See § 101.68, Florida Statutes)

EARLY VOTING

As a convenience to the voter, the supervisor of elections must provide early voting at designated early voting sites beginning 10 days prior to an election that contains state or federal races and ending three days before the election. In addition, early voting prior to an election that contains state or federal races may be extended at the discretion of the supervisor of elections. (See § 101.657 Florida Statutes)

EARLY VOTING TIMES AND LOCATIONS

Early voting sites may be open between eight and 12 hours each day. Early voting locations will be designated 30 days prior to an election and locations and times will be publicized on the supervisor of elections' website, on sample ballots and in local media.

ELECTION DAY VOTING INFORMATION

Polls will be open on election day from 7 a.m. to 7 p.m.

To determine your polling location, check your Voter Information Card, visit our website or call the elections office.

ELECTION DAY VOTING INFORMATION (CONT.)

On election day, voters check in to determine their eligibility to vote and make sure they are in the right precinct. For your vote to count, you must vote at your assigned polling location.

CHANGE OF PRECINCT OR POLLING LOCATION

When a polling place becomes unavailable, is inadequate for the efficient handling of voters, or is not accessible to people with disabilities, the supervisor of elections will move the polling place to another site that is accessible to the public on election day.

When a polling place is moved, the supervisor of elections will mail a notice of the change of polling place to each registered voter or to each household in which there is a registered voter affected by the change of polling place at least 14 days prior to an election. A notice will also be posted on the elections website or in a newspaper of general circulation in the county. (See § 101.001, and 101.71, Florida Statutes)

ACCEPTED IDENTIFICATION

Both a current and valid photo and signature ID are required when you go to the polls to vote. A voter who fails to show photo and signature ID will be required to vote a provisional ballot. (See § 101.043, Florida Statutes)

Acceptable forms of identification include:

- Florida driver license
- Florida ID card
- U.S. passport
- Debit/credit card
- Military ID
- Student ID
- Retirement center ID
- Neighborhood association ID
- Public assistance ID
- Veteran health ID issued by U.S. Dept of Veterans Affairs
- Concealed weapon or firearm license issued pursuant to § 790.06
- Employee ID issued by any entity of federal, state, county or municipal government

PROVISIONAL BALLOTS

If your eligibility to vote cannot be determined for any reason, you are entitled to vote a provisional ballot. If you vote a provisional ballot, you must be given a written notice of rights that includes:

- A statement that you have the right to bring further evidence of your eligibility to the supervisor of elections no later than 5 p.m. on the second day after the election.

PROVISIONAL BALLOTS (CONT.)

- A statement that if you voted a provisional ballot solely because you did not bring ID, you do not have to bring in further evidence of eligibility. The canvassing board will count your ballot if you voted in the right precinct and your signature on the ballot certificate matches the signature in your voter registration record.
- A statement that if you voted a provisional ballot because your personal identifying number (Florida driver license, Florida ID card or last four of your Social Security number) could not be verified, you may provide in person or by fax, email or mail a copy of the card with the identifying number to the supervisor of elections by 5 p.m. on the second day after the election.
- Instructions on how you can find out after the election if your provisional ballot was counted, and if not, the reason(s) why.
- A statement that if this is a primary election, you should contact the supervisor of elections office immediately to confirm that you are registered and will be able to vote in the general election.

A voter who does not sign the voter's certificate on the provisional ballot envelope, or whose signature on the voter's certificate does not match the signature on file in the voter's registration record, may cure the missing/mismatched signature by completing an affidavit and returning it to the supervisor of elections along with ID prior to 5 p.m. on the second day after the election.

Note: Information about whether the voter's provisional ballot was counted in the final canvass of votes will be mailed no later than 30 days following the election, to the person who cast the ballot. (See § 101.048, Florida Statutes)

MAY I REQUEST ASSISTANCE TO VOTE?

Any eligible voter who is unable to read or write or who, because of a disability, needs assistance to vote is eligible to receive assistance at the polls. The need for assistance will be designated on the voter's registration record, upon request. The voter is entitled to receive the assistance of two election officials or someone of his or her own choice, other than the voter's employer or an officer or agent of the voter's union. It is illegal for any person to be in the voting booth with any voter except as authorized by an election official. A person at a polling place or early voting site, or within 150 feet of the entrance of a polling place or early voting site, may not solicit any voter in an effort to provide assistance to vote. Persons assisting a voter to cast his or her vote, except for elections officials, must subscribe to an oath. (See § 97.061 and 101.051, Florida Statutes)

PRIMARY ELECTIONS

Florida is a closed primary state. That means only voters who are registered members of political parties may vote for their respective party's candidates in a primary election. However, the Florida Constitution provides that if all candidates have the same party affiliation and the winner will have no opposition in the general election, all qualified voters, regardless of party affiliation, may vote in the primary for that office. This is known as a Universal Primary Contest. All voters, including those without party affiliation, are entitled to vote on nonpartisan judicial and school board races, nonpartisan special district races and local referenda, which are included in some primary elections. (See § 101.021, Florida Statutes)

The candidate receiving the highest number of votes in each contest in the primary shall be de-

clared nominated for such office. If two or more persons receive an equal and highest number of votes for the same office, they will draw lots to determine who shall receive the nomination. (See § 100.061, Florida Statutes)

NONPARTISAN JUDICIAL ELECTIONS

Candidates for the Florida Supreme Court and District Courts of Appeal will appear on the ballot in the general election only for a vote on their retention. Candidates for circuit and county court will appear on the primary election ballot and on the general election ballot, if necessary. (See § 105.041, Florida Statutes)

POLL WATCHERS

Each political party, candidate, or political committee formed for the specific purpose of expressly advocating the passage or defeat of an issue on the ballot may have one poll watcher in each polling room or early voting area at any one time during an election. Poll watchers must be registered voters in the county and cannot be candidates or law enforcement officers. Poll watchers may not interact with voters and must pose any questions regarding polling place procedures to the clerk of the polling place. Each party, candidate or political committee requesting to have poll watchers in a polling room must designate in writing to the supervisor of elections the names of poll watchers prior by noon on the second Tuesday preceding the election. Designations of poll watchers in early voting areas must be submitted to the supervisor of elections in writing at least 14 days prior to the start of early voting. (See § 101.131, Florida Statutes)

POLL WORKERS

Poll clerks and inspectors are appointed by the supervisor of elections at least 20 days prior to an election and make up the election board in the precinct. The election board shall arrive at the polling place by 6 a.m. on election day. If you are interested in being a poll worker, please visit our website at SarasotaVotes.gov for more information. (See § 102.012, Florida Statutes)

To vote for a write-in candidate (only in a general election year), completely fill in the oval adjacent to the write-in space and clearly write the candidate's name on the write-in line.
